Rouble named to College board

The Ontario Council of Regents has confirmed the appointment of Haliburton Highlands Secondary School Principal John F. Rouble to the Board of Governors of Sir Sandford Fleming College, and has re-appointed J.M. Bell and R.H. James, both of Peterborough for additional four-year terms.

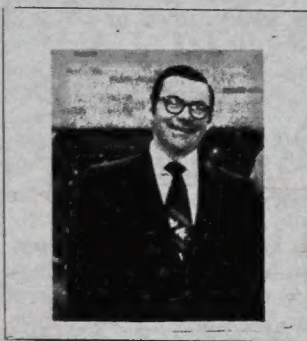

The Board's January meeting also saw the election of Mrs. M.F. Clarkson, of Peterborough, and Mr. James to second one-year terms as chairman and vice-chairman, respectively.

The new appointment fills a vacancy created by the retirement from the Board of Ronald J. Curry, of Haliburton, who was one of the original College governors and served in various capacities, including chairman.

Mr. Rouble, who has been principal of the Haliburton

school for six years, has been appointed to the Board for a four-year term. He has taught various summer courses for York University and the University of Toronto, and published several articles relating to guidance and supervised evening study.

He has been chairman of the CNIB fund-raising drive in Haliburton, served two years as president of the Haliburton Minor Hockey Association, and is a member

John Rouble

of the board of directors of the Rotary Club of Haliburton.

Mr. Rouble received the Silver Cross for Gallantry, awarded by Governor-General Lord Viscount Alexander of Tunis, in 1949, a citation for bravery from the Ontario Government in 1973, the Bronze Medal for Bravery from the Royal Canadian Humane Association, in 1973, and was awarded the Star of Courage by Governor General Jules Leger in 1975.

Plan volunteer service unit

Seven interested citizens met on January 21st to plan the organization of a Volunteer Service Unit for the Minden Area. The purpose of the group is to provide First Aid and Patient Care Services at public gatherings, such as the County Fair, hockey games, etc., wherever a need arises. A second function is to train volunteers to assist with the operation of the Minden Ambulance as attendants or drivers.

Since one of the qualifications for membership is a valid First Aid Certificate, it was felt that the first step to be taken was to offer a St. John Ambulance Course in First Aid to the general public. The starting date will be Feb. 11th at 7:30 p.m., at the Council Chambers in Minden. The duration of the course will be 5 periods of 3 hours each, with the examina-

tion to be held on March 17th. The registration fee is \$15.00 per person, and the course is open to anyone, whether or not they wish to become members of the

Volunteer Unit. This is an excellent opportunity for Employers in the area to have some of their employ-

Cont'd. page 2

Fined \$200 UIC fraud

A Peterborough man pleaded guilty to defrauding the Unemployment Insurance Commission of \$198.00 and was fined \$200.00 or 10 days in jail in default if not paid within 30 days.

David Newell was charged with false statements in regards to availability while claiming unemployment Insurance Benefits.

Judge R.B. Batten of Peterborough laid the fine on the 21 January, 1976.

Snowmobile charges

Snowmobile charges are being laid with considerable regularity in snowmobile country these days.

Minden OPP detachment reports having five charges over the weekend, a drop of about six from the weekend before.

A detachment officer indicates that most of the charges are for operating the machines on provincial highways. This carries a fine of around \$25 and costs upon conviction.

One of the weekend charges involved operating a

snowmobile without a validated registration. This, the officer pointed out, is required of any snowmobile owner who is planning to use his machine on other than their own property. The fee for the validated registration is \$10 and this entitles the owner to use the snowmobile in any permissible area.

Registration of a snowmobile without validation is a requirement at the time of assuming ownership but this only covers use of the machine on a person's private property.

Stouffville comes up the winner at Atom Tourney

The Kashagawigamog Atom Tournament is over for another year and once again it was a resounding success. The sixteen teams that participated treated the spectators to some excellent displays of hockey ability for 9 and 10 year old boys. A team from Thorold even carried a number of 8 year old lads on their roster and managed to put up a good battle in front of their super little netminder Jim Hough.

After 22 games played between Friday and Sunday afternoon the winners were declared. Stouffville won the Kashagawigamog Grand Championships trophy after defeating Bancroft 3 to 1, Huntsville 4 to 0, Keswick 4 to 3, and Oak Ridges 5 to 2. Oak Ridges successfully defended the B Championship title that they won last year by defeating Willowdale 3 to 1, Haliburton 5 to 0, and Oshawa 3 to 1. John Lalonde of the Oak Ridges team won

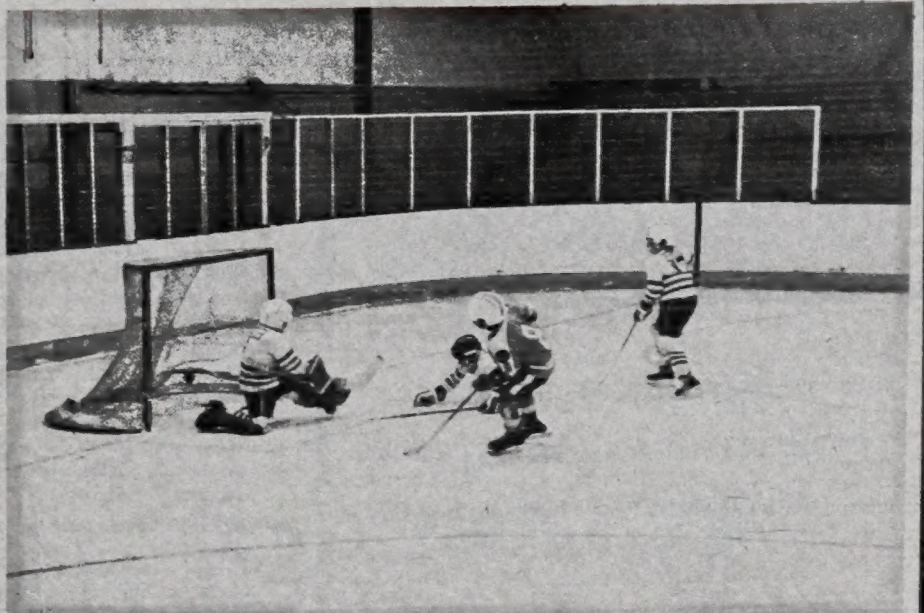

the most valuable player award. Not only did this boy display an excellent team effort, setting up many fine plays, but he also scored a total of 8 goals in the tournament, including 4 in one game.

The Consolation event saw Georgetown emerge the winner of the "A" group and Hillcrest repeat their performance of last year by winning the "B" event. Georgetown preceeded to defeat Hillcrest for the Consolation Grand Championship. One of the most exciting games in the tournament took place Sunday Morning as Georgetown edged out Royal York 1 to 0, in overtime for the "A" Consolation Championship. This was, as the score would indicate, a goal tenders duel.

There was a lot of fine goal tending displayed throughout the tournament as evidenced by the fact there

were 11 games ending in shut-outs. The award for best goalie was given to Brian Girvan, of the Royal York Minor Atom team. Brian earned most of the credit for this award in his valiant but vain attempt to hold his team in the game against Oshawa in the semi-finals Saturday night.

The organizers of this tournament heaved a big sigh of relief that it was all over - but only briefly - after a short breather they will be back at it again getting ready for the Pee Wee tournament, which is also a three day - 16 team event this year, to be held Winter Carnival weekend. It is not possible here to mention all the names of the people that worked so hard to stage this event - but one special mention goes to Bill Davis who sat in the cold timekeepers box and worked every single one of those 22 games. See you at the Pee Wee tournament Bill.

Our photographer caught this action shot at one of the Hockey Games played at the Lake Kashagawigamog Atom Hockey Tournament in Haliburton, over the weekend. Flashy number 9 of the Bancroft team is shown scoring a beautiful goal against Stouffville. The Stouffville team went on from here to be the overall tournament winners.

Photo by Dal Hubbert

Wed 65 years

Mr. and Mrs. E.H. Peacock of Gelert celebrated their 65th Wedding Anniversary on December 28th, 1975 at their home where they have lived since 1920.

Mr. Peacock was born at Irondale in 1889 and attended the Irondale Public School and a member of the Irondale Anglican Church.

Mrs. Peacock formerly Alice Milburn, was born in 1893 in Gelert.

Mr. and Mrs. Peacock were married in Gelert in 1910 by the Rev. Nind and lived on the Peacock farm at Irondale for 10 years.

After moving to Gelert Mr. Peacock was very active in the community. He was the Assessor for Snowdon Township for 11 years with an annual salary of \$45.00 per year. He also collected the taxes for 8 years. Mr. Peacock was reeve of Snowdon Township for 18 years and elected as Warden of Haliburton County in 1953, a year that saw many new buildings opened, including the present County Building.

Scouts

Enjoy outing

The first Haliburton Scout Troop partook in a very successful outing on the weekend of January 17th. The boys and leaders were lucky to be able to use the cottage belonging to Jim Whiteway because the temperature went down to 36 degrees below zero on Saturday night. The boys and leaders enjoyed taking snowshoe trips and trying their luck at ice fishing. Grant Rae brought his two snow machines up with him and he gave the boys rides around the area. Saturday evening was filled with songs and ghost stories. Glen Carter brought along his guitar and got a good rousing sing-song going. The most exciting song was "I believe in miracles" which received

He is a life member of the Masonic Lodge also a member of the Gelert Cemetery Board.

Mr. and Mrs. Peacock had 8 children. Bessie, (Mrs. Russell Burk) Lizzie (Mrs. Cecil Burk) of Lochlin, Bob of Gelert, Bill of Brooklin, Alice (Mrs. Gordon Hughes) of Willow Beach and Margaret (Mrs. Harry Burke) of Ingoldsby. Richard and an infant son predeceased.

They also have 26 grandchildren, 32 great grandchildren and one great great grand daughter.

An Open House was held for them Dec. 13 at the Lochlin Community Centre. Although the weather was terrible with freezing rain, over eighty friends and relatives turned out to wish Ted and Alice the best. The guests came from Oshawa, Lindsay, Haliburton, Minden, Gelert and Lochlin.

Among the many gifts they received a plaque from the Ontario Government presented to them by John Eakins, M.P.P.

a booming chorus.

The leaders on the trip were Dave Kennedy, Grant Rae, Ed. Whiteway, Glen Carter and Jim Whiteway. The scouts were Randy Vanderstarren, Andrew Hodgson, David Bishop, David Elstone, Guy McCausland, Paul Medley, Stephen and Robert Smith, Steven Dawson, Mike Rae, Steven Hogg, Kevin Barnum, Lee and Sean Findlay.

Certainly a great deal of fun was had by all and there are plans already to have another winter campout sometime in early March.

A special thanks is extended to Jim Whiteway who allowed us to use the cottage with such a large number of people.

Wolves get it again

A Norland subscriber has taken issue with an article dealing with dogs, wolves and deer which appeared in the Post a few days ago. W.G. Quinn of that northern Victoria County village says he feels a wrong impression has been given of the "killer" potential of the pet family dog in relation to deer.

Mr. Quinn writes to say he feels the Ministry of Natural Resources overseer, to whom the comments were attributed, has been in the woods, very little.

"If you recall five to six years ago, deer would herd back in the bush and not around small towns and farm houses", Mr. Quinn writes. "The reason they do now is because they are trying to get away from the wolf. And anyone who skidoos, hunts or is just out in the bush, knows that the wolves are very thick. These wolves are mainly timber wolves interbred with wild dogs. Call them coyote, gray wolf or whatever, they all kill deer."

"A wolf does bring down a deer with 'skill' and eats away at mainly the rear quarter while the deer is still alive and trying to get away. This the ministry will never admit, show on film or even talk about."

"In the issue of January 7, the ministry also says their main diet is groundhogs and other small animals. I can't recall seeing groundhogs out of their burrows in the winter time, but rabbits are very scarce and rarely seen anymore."

"I would like to see this overseer talk to the people who hunt deer in the fall. Most hunting camps are miles from where any dog would ever stray at any time. For the last four to five years, the deer population has been dwindling to nothing. All you get in season are wolf signs and tracks. Why protect these wolves? Can people eat wolves? As to venison, it is very tasty."

"In my area deer have been killed by wolves but the ministry always blames dogs. I, for one, am very tired of the ministry blaming dogs and hunters for the falling deer population. Let's get rid of a few hundred or even a few thousand wolves and watch the deer and rabbit population come back. I am sure that most people who hunt or go into the bush will agree."

Service unit

ees trained in First Aid to comply with the regulations of the Workmen's Compensation Board. It is unlikely that another course will be offered this year.

Following the completion of the First Aid Course, a continuing training program will be established to teach the members of the Volunteer Unit Patient Care (nursing techniques) and transportation procedures.

Anyone interested in joining the Unit or in taking the First Aid Course is asked to register with Mr. Richard Parisotto at 286-1260 or Lloyd Johnson at 286-1573.

"As to the game overseer and the last part of his statement in which he says the game bird hunted in the district and referred to as partridge is misnamed and is really the ruffed grouse. Guess again.. They are actually Birch Partridge in Ontario."

P.S. "Several people are provoked over the story in this issue, even mad. How about your feelings?"

Nursing home applications now invited

We note with interest applications for admission to the new Orchard Nursing Home from the residents of Haliburton County are being invited.

For application forms, please contact The Health Unit, Haliburton at 457-1391. Haliburton County Social Planning Council.

ECHO SPORTS

by Curry (Pork) Whittaker

Beaverton downs Haliburton, 4-2

Sunday evening past Haliburton Midgets travelled to Beaverton for their start of their second round of play offs.

Beaverton came out roaring and midway in the first period they struck for their

first of three goals to be tallied by them before the first stanza ended!

At the beginning of the second, Haliburton came right back with Larry Stinson scoring on a play from Mike Scheffee and Andy Salvatori.

Beaverton then tallied again to make it 4-1 at the end of the second!

Larry Stinson then struck for his second goal for Haliburton assisted by Mike Scheffee but it failed to get the momentum going and

Beaverton notched two more, before the period and game ended giving them a one game up advantage in the series.

Final score Beaverton 6 - Haliburton 2.

Tim Bain

With all the excitement of the Atom Tournament little could be expected in any other hockey action, but such was not so Saturday night at our local Arena. In all twenty one goals that were scored, but the Travelway Huskies were not quite accurate enough to tally more than their opponents from Wellington as the score ended up 12-9 in Wellington's favour.

The big gun for the Huskies was Tim Bain as he set up Tom Curry for the first Huskies goal to tie the game at 1-1. Tim then scored two in a row, the first assisted by brother Ernie and Tom Curry. The second on a nice set up by Jay Wootton and Tom Curry.

In the second period Steve Roberts picked up a point on his unassisted marker and with other help from goals by Tom Curry and Dave Hartwick the team was right in

the ball game, with the score ending at the sound of the buzzer, Wellington 6 - Haliburton 6.

The third period turned out really exciting at the 17 minute mark, as coach Brian Black elected to pull goal tender, Miles Maughan (after Jay Wootton scored assisted by Bev, Hicks and Ernie Bain, Tim Bain his third and Tim Oram set up by Jay Wootton and Ernie Bain) but it backfired as Wellington got two unanswered goals to end the game 12-9.

If Tim Bain can keep up his fast scoring pace he should hopefully overtake Randy Ellis of Wellington for the scoring Championship. Next game is Saturday night against Lakefield at 8 o'clock and with the playoffs coming up and second place not settled it should be an exciting contest.

Local linesman involved

Rick Dudley of Cincinnati Stingers of the World Hockey Association missed a game last Sunday against the Edmonton Oilers and also missed Tuesday nights encounter against Calgary as a result of an altercation with linesman Mike Pritchard last week. This is Mike's first year as a pro official and

involvements such as this gives this local boy an eye opener when it comes to professional competition. Mike is the son of Mr. and Mrs. Ken Pritchard formerly of Haliburton. Bud Poole took his stand behind Mike as he also levied a \$300 fine to the former Buffalo Sabres star Dudley!

Minor hockey round-up

BANTAM JAN 29

Haliburton 7 - Bobcaygeon 2

The line of Bernie Nicholls (2 goals, 4 assists), Chris Hodgson (2 goals, 3 assists) and Kevin Noseworthy (1 goal) accounted for a total of 12 points as Haliburton eliminated Bobcaygeon in the first round of the Play Offs, two games to none. Other goals were by Ed Roberts and Dave Harrison.

Goals for Bobcaygeon were by Norm Maynert and Paul Taylor.

This game was marred by a number of penalties (Haliburton 12), Bobcaygeon 9) and some inconsistent refereeing. That had the players and the Coaches of both teams upset at various times and can only result in damage to the team that has to go on. "Let's let the players be the performers".

BANTAM

Haliburton 1 - Beaverton 5

Sorry we cannot give you the complete details of this game, but we can say that Baz McCrea stood out for the winners as they built up a 5-0 lead after 2 period. Tim Davies replied with 1 goal in the third to complete the scoring.

"Don't miss Beaverton at Haliburton - Friday night, February 6th.

PEE WEE

The team improving all year under Coach Darrell Stamp just didn't have enough as they were put out in their first round of playoffs. They now have a series to finish off with Bancroft and each team has one game a piece, so maybe, these guys can come

Br. 129 bowling winners

The local Haliburton Branch 129 can justly hold their heads high when it comes to a bowling competition.

Haliburton's members consisting of Ray Jenkins, Ron Robinson Sr., Gord Everall, Wes Stata, Ron Robinson Jr. and Sam Colman are well on their way to all Ontario Championships to be played in April at Sudbury!

This local entry playing in the local Zone roll offs at Fenelon Falls were declared champion after coming out

on top over teams from Coboconk, Omemee and Fenelon Falls.

All methods of score are recorded and winners from each category are recognized.

The Haliburton Branch placed first with a team score of 3351 to their closest opponent Coboconk who tallied 3325.

In recording 819 total with a single of 348, Branch 129's Ray Jenkins still came a close second to Ray Barton who rolled home first in the singles recording 848 and a 348 single game.

The Legion team has an average of 230 and it's hopeful that it can do justice on the lanes in upcoming competitions.

Last weekend Haliburton sent a strong foursome to Bancroft to play in their Bonspiel and they played very strong coming out first in the third event by winning 4 out of 6 games.

The Rink consisted of Bill Johnston, Tom Stinson and Bob McNaull and Jack Starky.

This coming weekend the Haliburton Curling Club will be holding the Highland Mixed Bonspiel. At press time it is hoped to have a full slate of entries for the three day bonspiel beginning Friday night. With entries coming from near and far for the competition will be keen. A dinner and dance has been planned for Saturday evening. The finals will be on Sunday afternoon. This is a good opportunity to come and see some good competitive mixed curling.

Editorials

Plenty to do

From time to time we hear people some people here in Haliburton County remark that there just doesn't seem to be enough activity going on for the young people or in other words just not enough things to do for adults and children alike.

Some citizens who have moved into such communities as Haliburton and Minden with the high hopes of residing here or retiring here in Haliburton County seem to miss the hustle and bustle of the larger centres and soon move away where they have more opportunity to seek a wider range of entertainment, sports and so on. These statements could be true it's sure a question to kick around.

It is in our opinion that we are without the advantages of some of the attractions of other bigger centres, but we firmly believe that there's plenty to do here, if one wants to participate. Some things granted we don't have, such as a Y.W.C.A. or a Y.M.C.A. We don't have professional sports here and we are without top notch entertainment.

Let's for a moment take a look at the other side of the coin. We have so many various organizations here that they are sticking out our ears, and they are all looking for new members or help. As far as sports are concerned, especially in the winter months there are top notch arenas in most of the major communities for hockey, figure skating and public skating. For the snowmobile enthusiast we have excellent trails and lakes to ride on. Many of the churches in various communities have youth groups which are a wonderful thing.

Rental housing needed

The Municipality of Anson, Hindon and Minden and the Municipality of Dysart et al for the past several months have been trying to get a low rental housing project underway for Haliburton and Minden. We don't know as yet just how much action has been taken in this regard, but we sincerely hope that the day is not too far off when these projects will be constructed.

The need of this housing project is very urgent in both villages as we know, by talking to different people that they would like to have some decent place to live. In both communities at the present time we have a housing shortage.

Another worthwhile project that should be considered is a Senior Citizens Housing Project.

In a recent news release we learn that Central Mortgage and Housing Corporation have announced the approval of a \$1,238,916 loan to the Ontario Housing Corporation for a senior citizens housing project in Cobourg.

The loan will assist in the construction of a two storey building of 71 units consisting of 70 one-bedroom apartments and a single two-bedroom apartment.

The loan approved under the public housing provisions of the National Housing Act, is for a term of 50 years.

Letters to the editor

Mr. J.M. Howarth, Warden,
Provisional County of Haliburton
R.R. #3,
Bancroft, Ontario.

Dear Mr. Howarth:

I have been instructed by the members of Local 1960 to inform you that, by a majority vote, the last offer of the Roads Committee was accepted and the Collective Agreement was ratified.

We found it exceedingly hard to believe that County Council was prepared to allow a strike to happen over the payment of \$15.00 per employee per year towards safety boots. Or, to put it another way, the County was prepared to have a strike over \$225.00 per year in total. However, that was the position taken and accepted by the membership.

Of greater concern to us were the caustic and derogatory remarks made by Mr. Nesbitt throughout those negotiations, including a remark made following negotiations just as we were leaving the room came very close to causing a

strike.

However, after a long discussion it was generally agreed Mr. Nesbitt was not speaking for the rest of the Committee and certainly not for County Council nor for the taxpayers of the County.

Bargaining was tough but, with the exception of Mr. Nesbitt, the Roads Committee treated us with respect and fairness and for that we are very appreciative.

Although hurt and angered by Mr. Nesbitt's attitude it is your employees' intentions to rise above it and continue to do a good job for your Council and the taxpayers of your County.

For the purpose of good relations may I suggest that you write the Local Union showing them that any statements made by Mr. Nesbitt regarding their ability as your employees are Mr. Nesbitt's opinions and not those of County Council.

Yours very truly,
Harold Wrightman
Representative

The view from the Chamber

Well that's one carnival, and one hockey tournament over, and one more carnival and one hockey tournament to go. There certainly was a lot of traffic around and many that we talked to were visiting our area for the first time. We hope they all enjoyed themselves and were made to feel welcome.

There will not be a Column from the Chamber of Commerce next week, as we are heading down to Harrisburg, Penn. for ten days to work in a Sportsman Show booth. Central Ontario Travel Association, of which we are a member is supplying this opportunity and we expect to have our new "Lure" book of the press just in time to start distributing it down there.

This week we received a letter signed "An Interested Highlander" and nothing more. We appreciate getting mail with constructive criticism, but unsigned letters lost most of their effect by the very fact that the writer would not sign his name. The writer of this letter has some good points to make, and some on which he is simply mis-informed. We cannot hope to clear up these points if we do not know who we are talking to.

We were invited to sit in on a meeting with the

Along the trails by Roy Bates

Last week you read the brief presented by the HCSA to the Ontario Trails Council at the open meeting in Parry Sound on Tuesday night. This was not the best brief, nor was it by any means the poorest, of the nineteen presentations. Certainly the Council members are aware now, if indeed they were not aware before, that the snowmobilers of the Province are looking for a better shake from their tax dollars, particularly from their "validation" fees.

The subject matter of all but two or three briefs presented was the need for more and better off-road snowmobiling facilities along with a plea to the Government to initiate a program that will get the job done. Many speakers punctuated their presentations with references to the beneficial impact of the snowmobile on the economy of their respective tourist regions. Others spoke at length on the safety factor of trails versus roads, uncharted wilderness and hazardous waterways.

The Ontario Federation of Snowmobile Clubs was well represented. President Jim Cox presented the general views of the Federation, Vice President Ron Nelson showed slides of Quebec's trails system, Office Secretary Vera Van Alstine spoke on the lack of control over ice-away machines in common use in the Muskokas, and Director Rick Start was there to speak on Government Liaison and Parks. The meeting chairman, Mr. Wm. Coates was somewhat overwhelmed by the OFSC's show of strength and made an un-successful attempt to have two of their briefs disallowed. He might have been even more upset had he known that it was the Past President of the OFSC who presented the brief for the Hill and Gully Riders and it was this writer, a director in the OFSC who prepared and presented the brief for the Haliburton County Snowmobile Association.

A Sobering Thought

We keep striving for better groomed trails.

Haliburton County Snowmobile Association last week and were very impressed with this hard working group of people. They now meet every week at West Guilford and spend the bulk of the evening working out plans to improve Snowmobiling in our area and make it more attractive for visitors. They also must spend a great deal of time working on fund raising projects since their government grants have been cut so drastically. They deserve the 100% support of all those who rely on winter business in the county, for they work very hard to provide facilities for our winter visitors.

The Chamber and the Snowmobile Association have agreed to work together in a number of areas to benefit the county. We will be working out a brief with them to be presented through the Ontario Chamber of Commerce to the Provincial government to improve the trails programme and their winter directory.

While we are away Marion Arntfield will be back in the Chamber office looking after things and I am sure many of you who are old friends of Marions will want to call and say Hello. It's nice to know we are leaving everything in good hands. Bob Stinson, Secretary Manager.

Recently, at Haliburton Forest and Wildlife Reserve, the ultimate in grooming equipment went into service to provide the very finest smooth riding, double track trails.

Super grooming has introduced to these trails an element of danger formerly associated only with road running. Excessive speed. The first trail fatality to occur in Haliburton County - unofficially the first in the Province - happened two weeks ago when a group of riders got going to fast to handle the curves.

We've taken snowmobilers off the highways TO SAVE THEIR LIVES. If we are going to provide them with a raceway in the woods we must find a way to slow them down. The new legislation in the Ontario Motorized Snow Vehicles Act has provided a speed limit on all public trails of 30 miles per hour. While this may seem unnecessarily slow, it is a move in the right direction. If we keep within that limit, it's a safe bet we'll stay alive.

The Battle Goes On

If one snowmobiler out of a hundred thoughtlessly drops an empty cigarette package or a used kleenex beside the trail, the entire snowmobiling fraternity is held guilty of littering! If one out of a hundred drives a sled that fails to meet the government's noise standard, we are all guilty of noise pollution! If a group of riders were caught harassing wildlife five years ago, every rider today is a potential danger to defenseless animals!

That seems to be the common belief of a very large segment of the population. The snowmobile was singled out for attack by ecologists and environmentalists some years ago, and in spite of all our successful efforts to clean up our act these people are not about to give up the fight. Perhaps it's time to launch our own counterattack!

From the Chamber

We were pleased last week to attend County Council's first meeting of the New Year. Jerry Howarth of Bicroft was installed as our County Warden for 1976 and we offer our congratulations on his appointment. M.P. Bill Scott and M.P.P. John Eakins were on hand to offer their congratulations and address Council.

At the Wednesday meeting council heard reports from the various committees and organizations that work on behalf of the county. The Chamber of Commerce presented a report on last year's activities and the extensive plans for the coming year. We were a little surprised and very pleased when Reeve Sinc. Nesbitt stood and informed members of council that he was extremely impressed with the work the Board of Directors of the Chamber are doing and asked for a round of applause for their efforts.

Reeve Sinc. Nesbitt has, along with Reeve Bob Vick, served as the county representatives on our board for the last two years. He is now leaving our board due to other heavy commitments and we shall certainly miss him. Fred Baum, Deputy Reeve of Sherborne, McClintock and Livingstone has been appointed to our board in Sinc's place. We are certainly happy to welcome Fred to our board and we can now boast good representation from all parts of the County.

We have at this time of writing received one pledge for our riders in Snowrama. An anonymous donor has offered a 40 oz. "Yule Log" of their choice to either Dennis Casey or Bill Foote, whichever raises the most money for "Timmy". Please either call the Chamber office, or the above mentioned riders with your pledges for this worthy cause.

We were very sorry to hear this week that one of our members has been in the Hospital. Ron Tyler of Haliburton Air Service fell through the roof of his hangar while cleaning snow. Fortunately Ron had no bones broken but he won't be doing much work for awhile. We sincerely hope that he makes a full and speedy recovery.

Pic of the Past

The late George Ward of Haliburton is shown in the above photo working at the Lankin Lumber Camp in the winter of 1927 with a team of oxen named Brite and Buck.

Our thanks to Mrs. Arvine Bird of Haliburton for submitting this most interesting photo for our Pic of the Past.

Getting old

©The Argyle Syndicate Ltd.

Bill Smiley

By BILL SMILEY

HOLY Ole Moly, I must be getting on! Just walked in the door, picked up the mail, and there was an invitation to a retirement party for Pete Hvidsten, publisher of the Port Perry weekly newspaper. Say it isn't so, Pete!

Per (Pete) Hvidsten is a friend of more than a quarter of a century, but it seems only yesterday that he and I were the life of the party, waltzing the girls off their feet, watching the dawn come up as we sat in the bow of one of the old passenger steamers sailing up the St. Lawrence, while everybody else, including the very young, had gone to bed.

This retirement gig is a trend that deeply alarms me. All my old buddies are putting themselves out to pasture. They don't seem to spare a thought for me. I have to teach until I am eleventy-seven to get a pension.

About a year ago, three old and close weekly newspaper friends phoned me from a convention in Toronto: Don McCuaig of Renfrew, Gene Macdonald of

Alexandria, and Pete Hvidsten. It was about midnight and they weren't even flying yet. I sensed something wrong. I thought they needed Smiley there to get some yeast into the dough. They sounded tired.

McCuaig is semi-retired, a newspaper baron of the Ottawa Valley. Gene must be either dead or in tough shape, as he wasn't at the summer national weeklies' convention, which he never misses. And now Pete.

Migawd, chaps, I'm just getting warmed up in the teaching profession. I reckon I have another 20 years to go, leering at the latest skirt-length, telling and re-telling my four jokes, trying to sort out the difference between a dangling participle and a split infinitive. How dare you "retire", when I have to go on working?

Well, maybe I know, at that. You've quit because you've worked like a dog for 30-odd years in one of the toughest vocations in the world — weekly editor. I had 11 years of it, and if I'd continued, I'd probably be pushing up pansies right now.

We were in it together when you worked 60-70 hours a week, when you had a big mortgage to pay off, when staff was tough to get and hard to keep, when the old press was always breaking down and you couldn't afford a new one, when you had to sweat over a four-dollar ad, when you were lucky to take home \$60 or \$80 a week.

But it had its rewards, right? There was that sheer physical satisfaction of seeing the first copy run off and folded, smelling of ink, practically hot in your hands, like a fresh-baked loaf. There was another type of reward — knowing you had stuck to your principles, and written a strong and unpopular editorial, letting the chips fall where they might.

There was the deep pleasure of seeing, after months of writing and urging, the reluctant town fathers adopt a policy that was right and good, instead of merely expedient.

Some people would prefer to be remembered by a plaque or a statue. A good, old-time weekly editor would die happy, if they named a

new sewage system or old folks' home, for which he had campaigned, after him.

There aren't many of the old breed left, come to think of it. George Cadogan, Mac McConnell, Art Carr, the Derksens of Saskatchewan. The type of editor who could set a stick of type, fix a machine, run a linotype in a pinch, carry the papers to the post office, if necessary, pound out an editorial.

There is a new breed abroad in the land. Many of them are graduates of a school of journalism. This type wants every news story to be a feature article. They all want to be columnists, not reporters.

There's another type, among the young. They refuse to believe that a weekly editor should be poor but proud. They work on the cost of a column-inch rather than records of peoples' lives. They won't die broke. They believe in holidays and fringe benefits and all those things we never heard of and couldn't afford.

Maybe it's all for the best. We were suckers. We literally believed that an editor's first allegiance was

the betterment of the entire community, not himself.

Weekly newspapers, today, are better-looking, fatter, richer. They are put together with scissors and paste, printed at a central location on a big, offset press which doesn't break down, folded and bundled with dispatch. The only thing that hasn't improved is the postal delivery.

But a great deal of that personal involvement is gone. The editor is not as close to his reader as he once was. When I was in the game, I was always introduced to strangers as: "This is our editor." Not the editor of our paper, but *our* editor.

Pete Hvidsten, green pastures. Keep your nose out of it, and let the young guys make a mess of the paper.

We had a good session at the oars of the galley. And any time you want a game of arthritic golf, you know where to come. As a practically barely almost middle-aged school teacher, I think I can handle a "retired" editor any time.

Pictured above is the host team, the Haliburton Atoms, who took part in the Lake Kashagawigamog Atom Hockey Tournament played at the Haliburton Arena over the past weekend. The Haliburton Team won the first game by the score of 4-2 over Hillcrest and dropped their second game by the score of 6-0 to Oak Ridges.

The Oak Ridges Kings Atom Hockey Team, who won the Grand Championship of the Lake Kashagawigamog Atom Tournament last year

returned over the weekend and won the "B" Championship. Photo by Dal Hubbard.

Atom tourney unqualified success...

The Second Annual Atom Tournament was again a huge success. I think it appropriate to mention all the individuals who contributed to help making this event such a success.

First of all the two fellows who strived so hard, were the Tournament Co-Ordinator Bob Stinson and Chairman Len Salvatori. Bob Nichol handled all the financing and Bruce Henry came through with a great programme. Doreen and Jim Potter were responsible for the registering of everyone, with John Teljeur looking after all the statistics and dressing room arrangements. Any of the other events that were going on were looked after by Rick Elstone. The Head Chef was Ken Jackson and his many helpers were mothers and friends, and what superb job they did.

The Trophy department was looked after by Grant Rae

and with three trophies per game, one must realize the effort Grant put into it. Last but not least the Referees and linesmen deserve a vote of praise, and since we named pretty well everyone else, I feel it only right to point out these individuals. The officials were led by Mark Schell - Referee and chief and superb efforts were put out by Brian Black, Claude Parish, John Parish, Deano Pearsell, John F. Rouble, Doug Devolin, Bob English and Brent Winters. I hope no one has been left out in recognition of their efforts, if so you also deserve a pat on the back, because without such efforts, a Tourney such as this, wouldn't have been such a huge success. President of the Association, Dennis Casey justly contributed in every area!

I am going to break down all the games, and with twenty two games in all, it was impossible for me to catch all of

them, but the ones I did were really great.

On Friday at 3:00 p.m. the Tournament got underway with Huntsville playing against Georgetown in the "A" Division. Huntsville came out winners by the score of 2-0!

The second game was played by Haliburton's entry, and they came out winners 4-2. Scotty Rae with a hat trick and also chosen first star.

Bancroft and Stouffville played next and Stouffville won by the score of 3-1. Next game Oak Ridges defeated Willowdale by the tally of 3-1, and then Oakville took on Thorold and defeated them, by the score of 3-0.

Minden iced off at 8:00 p.m. for the last game of the first day, only to be defeated by Oshawa 2-0. This first day of play brought everyone into a new ball game as the winners advanced to the Grand Championship play downs, and the

Pictured above is the Stouffville Atom Hockey Team which won the "A" Championship and Grand Championship of the Lake Kashagawigamog Atom Hockey Tournament held at Haliburton over the past weekend. Sixteen teams

from all parts of Ontario took part in the biggest hockey tournament ever held in Haliburton. Our congratulations to the Stouffville team on being the overall Tournament Winners. Photo by Dal Hubbert

Georgetown has always been a hot bed of hockey, and over the past weekend they sent their Atom Hockey Team to Haliburton and they walked away with

the "A" Consolation Prize and the Consolation Grand Championship. Photo by Dal Hubbert

... congratulations to all involved

losers to the Grand Consolation Championships.

Saturday morning bright and early at 8:00 a.m. Keswick playing in the "A" category knocked off their opponents Royal York (major) by the score of 5-3.

At 9 o'clock the other team from Royal York playing in the "B" category faced Bracebridge and came out winners by the score of 5-2. The next game Georgetown downed Bancroft 4-0, to advance in the Consolation grouping. Hillcrest then played Willowdale and they once again came out winners by the score of 1-0.

At noon hour, not stopping for lunch the play continued with Stouffville playing to a 5-0 win over Huntsville.

Our local youngsters then met their match and came out on the losing end by the score of 5-0 with Oak Ridges being the winners over Haliburton.

Royal York played to a 4-0 triumph and Keswick then thumped Oakville by the score of 4-1. In Mindens' second game, they outplayed and outscored Bracebridge and came out ahead by the score of 3-1. This win advanced them to a game for the "B" Consolation Champs which leads to the "B" Grand Championship.

Oshawa then defeated Royal York 2-0 to advance to the "B" Championship.

On Sunday, Minden was very narrowly put out by the score of 2-1 by Hillcrest in the "B" Consolation Championship as was Royal York who were also put down in a close game by the tally of 1-0 by Georgetown. This put Georgetown against Hillcrest in the Grand Consolation Championship and they came out unanimous champions as they defeated Hillcrest by the score of 12-0. This made

these boys Grand Consolation Champions and deserving winners they were.

One of the closest games of the tournament was between Stouffville and Keswick which Stouffville won by the score of 4-3 to advance them into the Grand Championship.

Oak Ridges defeated Oshawa 3-1, and this brought them into the big one, against Stouffville.

Here is what it was all about. The last two teams for the Grand Championship were Stouffville and Oak Ridges. Stouffville came out the Grand Champions of the 75-76 Lake Kashagawigamog Atom Tournament by defeating Oak Ridges 5-2.

The most outstanding player of the tournament was John LaLonde of Oak Ridges and the most outstanding goal keeper was Brian Gorvan of Royal York.

Haliburton Highlights

Patients at the Red Cross Hospital in Haliburton this week are as follows. Mr. George Elstone of Haliburton, Mrs. Olive Armstrong, Miss Burton, Minden, Mrs. Luckow and baby boy.

Earl MacDuff of Haliburton was a recent speaker at the Rotary Club meeting at Haliburton. Earl gave a timely address on Alcoholism and gave examples of how alcoholics eventually destroyed themselves and the people with whom they come in contact. Earl stressed that alcoholism was a disease and should be treated as such.

The municipal employees have had a big job on their hands keeping the streets and roads in the village cleared of snow. We have had some big snowfalls and the men have done a great job.

As usual at this time of year many of the Haliburton residents are taking a winter vacation in Florida. Boy are they ever missing the snow.

Following the December meeting of the Haliburton County Social Planning Council which was held at St. George's Anglican Church in Haliburton the members present were taken on a tour of the new Nursing Home.

The Buses which transport the school students to Haliburton were cancelled on Monday due to very icy road conditions. The freezing rain made driving very hazardous.

At the December meeting of the Haliburton County Social Planning Council Rev. Denny spoke of the great need in the community for a Drop-In Centre for Senior Citizens. Mr. Sherlock passed on valuable information regarding such a centre in Cardiff. A committee was formed of Mr. Denny, Mr. Sherlock and Mrs. Margaret. They will report back at the next meeting.

After February 7th, Burke's Taxi Service in Haliburton will be going out of business. Burke's Taxi have been operating for the past twenty-eight years and during this time have given great service to the people of Haliburton and surrounding area. They would like to thank all their customers who patronized them during this time.

Rev. Denny of the Anglican Parish of Haliburton is heading a Young Peoples Group who meet every other Sunday at 3:30 p.m. at St. George's Anglican Church in Haliburton. This group is made up of the older teenagers, and Mr. Denny is anxious that as many young people as possible be made aware of these meetings. All are welcome.

So far we have had a very hard winter, but we keep wondering if Spring can be far off. Elwin Robertson of Haliburton, told us on Tuesday, that he saw a crow circling over Wim Magee's house in Haliburton. This could be the first sign of spring.

Gov't refund travellers

Sidney Handleman, Ontario's Minister of Consumer and Commercial Relations, said today that the Travel Compensation Board will consider all legitimate claims for refunds concerning the loss of prepaid travel services.

The Minister said the recent closing of Blue Vista Tours Inc. and Sand Pebble Tours has created some confusion as to the role of the Travel Compensation Fund.

"The Fund was established under the provisions of the Travel Industry Act, to provide financial relief for those who have dealt with a Registered Travel Agent or Registered Travel Wholesaler, and paid for travel services and not received them," the Minister said.

"I am now asking any consumer who has not received or has reason to believe that he will not receive the services which were to be provided by either Blue Vista Tours or Sand

Pebble Tours to immediately apply to the Compensation Board.

"Likewise, if a registered Travel Agent has booked services with either of these registered wholesalers and in good faith has refunded the consumer, then I suggest he submit a documented claim to the Compensation Fund."

The Minister said that anyone who feels that he has a legitimate claim against the fund should write immediately to:

The Registrar,
Travel Industry Act,
Ministry of Consumer &
Commercial Relations,
5 Floor - 555 Yonge Street,
TORONTO, Ontario
M4Y 1Y7

The letter should include details of the travel arrangements contracted for but not received; proof of payment (receipt or cancelled cheque) and any other relevant documents such as tickets, tour coupons, etc.

The Travel Industry Act became law July 15, 1975.

Ontario has a new "Seat Belt Law."

This is what you should know about it.

Last year, 1,304 people were killed in automobile accidents in Ontario. Another 98,673 were injured.

Many of those deaths and injuries could have been avoided, had the persons involved been wearing seat belts.

That is why, effective January 1, 1976, the use of seat belts became mandatory. In practice, the law is simple:

- You must wear a seat belt and shoulder harness if both are available.
- If your car was manufactured after January 1, 1971, it is illegal to remove the seat belts and they must be in good working order. If seat belts have been removed, they must be replaced.
- Seat belts that are not working must be repaired.

- The shoulder harness is not part of the system in back seats—and need not be installed.
- It is not illegal to carry more passengers than there are seat belts.
- The driver is responsible for all children aged 2 to 15. All adult passengers, 16 and over are responsible for themselves.

There are exceptions:

- (1) Children under two years of age.
- (2) Persons with a medical exemption certificate from their doctor.
- (3) Delivery personnel driving in their drop-off zone at 25 mph or under.
- (4) Rural mail delivery personnel.
- (5) Convertibles do not require shoulder harness.

The fine for breaking the law is from \$20 to \$100, plus costs. But life and health are precious, and accidents which cause death or injury to people, or damage to property, cost far more than the fine.

Whether you are a driver or a passenger, from now on you must wear a seat belt. Your Ontario government asks for your co-operation.

The Official Opening of the Minden Kinsmen Winter Carnival was held at the Minden Arena on Saturday afternoon. Bill Scott M.P. is shown here speaking at the Opening, on his left is John Eakins, M.P.P. and Lyle McKnight a member of the Minden Kinsmen Club. Shown on the right of Bill Scott is Anne Campbell 2nd runner up in the beauty contest, Kim Greig 1st runner up and the Carnival Queen Anne McLaughlin.

This is just one of the many beautiful floats that were entered in this years Minden Kinsmen Winter Carnival Parade which as held at Minden on Saturday afternoon. The parade which was led by the Kawartha Cavaliers Band from Lindsay is shown winding its' way to the Main Street where hundreds lined up to view the parade.

Helicopter rides proved to be a very popular event at the Minden Kinsmen Winter Carnival held at Minden over the weekend. Passengers are shown boarding the Helicopter at the fairgrounds in front of the arena. Arrangements were made with the Ontario Helicopter Services to have them present for the Carnival.

UIC Was not meant to be a GRAVY TRAIN

Robert Jackson of Woodville pleaded guilty to (4) four offences of fraud in connection with his claim for Unemployment Insurance. Judge Inrig of Lindsay stated to Jackson, "that the UIC was not meant to be a gravy train," and fined him \$100. for each offence.

Court took place in Lindsay on the 28th of January, 1976.

Minden Kinsmen Carnival, one of the best

The Minden Kinsmen Winter Carnival is now history, and what a bang up affair it was, as hundreds of people poured into Minden for a weekend of fun and entertainment.

Working under ideal weather conditions the Kinsmen Club went all out to make this one of the most interesting events of the season.

On Friday evening the Carnival was kicked off with the Carnival Queen Contest and the winner was Anne McLaughlin of Minden and the princesses were Kim Greig and Anne Campbell both of Minden. Prior to the Carnival Queen Contest Alton Movers defeated the Minden OPP in a thrilling broomball game. In an exhibition hockey game the Minden Monarchs, took the Minden Juveniles into camp by the score of 9 to 4.

In a thrilling broomball game. In an exhibition hockey game the Minden Monarchs took the Minden Juveniles into camp by the score of 9 to 4. Hundreds of people lined the streets of Minden on Saturday afternoon for the Carnival parade, with the first prize float going to the Rockcliffe Hotel. 2nd prize went to Stedmans and Cox's Apparel float took third prize honours.

Following the parade the official opening ceremonies took place in the arena with Bill Payne acting as M.C. Other dignitaries on hand for the

occasion were, John Eakins, M.P.P., Bill Scott, M.P. Reg Booth, Reeve of the Municipality of Anson, Hindon and Minden, Louis Stevens, President of the Minden Kinsmen Club and the Carnival Queen and her two princesses.

On Saturday and Sunday two interesting broomball games were played when Alton Movers defeated the Horseshoe Lake Lakers 2-0 and the Minden Kinsmen beat CKLY 4-0.

On Saturday evening the Kinsmen Beaver Skinners and the CKVR No Stars played to a 6-6 tie in a power packed hockey game.

The following are the Snowmobile race winners:

Adult Fan Class

250 C.C. - Scott Gartshore
300 C.C. - Charlie Whynot
340 C.C. - Phil Sawyer
400 C.C. - Stan McKnight
440 C.C. - Tim Chambers

Adult Free Air

250 Doug West
300 Wayne Coltman
340 Ron Rombough
400 Fred Johnson
440 Roger Sokoloski

The open Free Air Winner was Rick Potter

Childs Fan Class

300 C.C. - Jim Crawford
340 C.C. - Peter McKnight
400 C.C. - Frank Chambers
440 C.C. - Robert Fletcher

Childs Free Air

Dean Potter 250 C.C. - 400 C.C. - 440 C.C.

Brent Coltman captured the 300 CC and 340 CC

There were six entries in the Chariot Races which took place on Sunday afternoon at the fairgrounds and the winner was the Wagon Wheel.

The Log Sawing Contest was won by Joe and Royce Cowan at 31 seconds. Runner up was Rick Sullivan and James Fisher at 47 seconds.

The Fish Derby winners were Mrs. Dorothy Corless of Minden, with a 7 lb. - 7 oz. Lake Trout. 2nd prize went to Shannon Mercer with a 4 lb. ¾ oz. Lake Trout, and Nancy Kinsman caught a 4 lb. ¼ oz. Lake Trout.

When it comes to drinking beer, you have to hand it to Bryan Goodger of Toronto, who downed a pint of beer in a record 7.9 seconds, in the Minden Progress Canadian Beer Drinking Championship. Best time by a female went to Betty Muir who drank her pint in 22 seconds. Bill Foote, owner of the Minden Progress presented the trophy to the winner.

County holds inaugural meeting

County Council of the Provisional County of Haliburton assembled in the Council Chambers for its Inaugural Meeting at 2:00 p.m. Tuesday, January 20, 1976, with Clerk-Treasurer Winifred Lahay in the Chair, and the following members in attendance:

Anson, Hindon & Minden
Reginald Booth
Douglas Pritchard
Improvement District Bicroft
Jerry M. Howarth
Cardiff
Malcolm McGillivray
Mack Peters
Dysart et al
Murray Fearrey
Lloyd Coneybeare
Glamorgan
Robert Fotheringham
Norman Locke
Lutterworth
Patrick Conaghan
Lloyd Walker
Monmouth
Gary Agnew
Keith Tallman
Sherborne, McClintock and Livingstone
Douglas Russell
Fred Baum
Snowdon
Robert Vick
Ronald Graham
Stanhope
Sinclair Nesbitt
James Harrison

The Clerk opened the meeting, confirming that Certificates of Office for all nineteen members were on file, and invited the Reverend James Bushell of Minden United Church to address Council. The Rev. J.F. Bushell delivered an invocation message on the God-given ultimate source of wisdom for responsible citizens and government, and prayed for guidance.

The meeting was open for nominations for Warden.

Resolution No. 1/76
Nomination for Warden
That Jerry M. Howarth be the Warden of Haliburton County for the year 1976. Carried.

Resolution No. 2/76
Nominations closed. The nominations for the 1976 Warden be closed. Carried.

Jerry M. Howarth
1976 Warden
The Clerk declared Jerry M. Howarth to be Warden of the Provisional County of Haliburton for the year 1976. Mr. Howarth received the robe from Past Warden Reginald Booth, who congratulated him and wished him well in his responsibilities.

Mr. Howarth read the Oath of Office and was then presented with the Chain of Office by the Clerk.

Warden Howarth thanked members of Council for the honour bestowed on him, and assured them of his sincere desire to serve the County well.

William Scott, M.P.
Mr. William Scott, M.P., congratulated the Warden on his high office in this aggressive county, which has been made so by the people coming together with their problems and each individual playing his part. Mr. Scott wished Warden Howarth all the best and said that assuredly Haliburton County is in very capable hands.

John Eakins, M.P.P.
Mr. John Eakins, M.P.P., also congratulated Warden Howarth and in response to a previous request he read, as a keynote address, the policy statement on operational restraint which had been delivered by the Honourable Darcy McKeough at a recent meeting in Barrie. Mr. Eakins told Council he fully appreciated the local responsibilities at the grass roots, and realized the importance

of good liaison with Queen's Park; and he will co-operate for a direct line of communication and close working relationship.

County Council Guests
Warden Howarth introduced guests in attendance, commencing with congratulating Reeve Ted Shea of Bobcaygeon, the newly elected Warden of Victoria County; also Mr. Albert Woollard who was clerk in Bobcaygeon for many years, & Mrs. Jean Woollard; County Solicitor Donald Finn; County Registrar Mrs. Jean Jackson; Bank Manager Hugh Holler, County Engineer Bill Obee, Haliburton Highlands Chamber of Commerce President Dennis Waymouth and Secretary Manager Robert Stinson, and Bill Foote of the Minden Progress.

Adjournment
The meeting was adjourned until 10:00 a.m. Wednesday morning.

Wednesday, Jan. 21, 1976
Warden Jerry M. Howarth opened the business meeting of County Council on Wednesday, January 21, 1976, at 10:00 a.m. asking for the same co-operation and assistance for which Past Warden Booth had expressed appreciation on Tuesday. All members were in attendance.

Resolution No. 3/76
Approval of Minutes
That the minutes of the Regular Meeting of December 17, 1975 be approved as circulated to all members. Carried.

Finance Report
Past Warden Reg. Booth presented the Finance Report and confirmed that all accounts as listed had been inspected by the Finance Committee at a meeting held at 1:00 p.m. Tuesday, January 20th, and were in order.

Resolution No. 4/76
By-Law 965
Bank Borrowing
That By-law 965, having been read a first time, be considered read a second and third time, passed, signed and the Corporate Seal attached, being a by-law to authorize the borrowing of funds in the year 1976 from the Canadian Imperial Bank of Commerce. Carried.

Correspondence
The Clerk read the following letters as indicated by the Correspondence Committee:
Hon. James Taylor, Q.C., Minister Community and Social Services, replying to the County's timely resolution regarding repeal of Section 8, Training Schools Act.

To Hon. Thomas Wells, Minister of Education: re. proposal that School Boards issue their own tax bills.

To Hon. Wm.G. Davis, Q.C., Premier of Ontario, and to Hon. James Snow, Minister of Transportation and Communications: objecting to seat belt legislation.

To Mrs. Elsie Bursey, Administrator, Hyland Crest Senior Citizen's Home, expressing appreciation of the December luncheon and tour contributing to closer understanding of the care and interest being provided for the Senior Citizens of our County.

Hon. Sidney B. Handleman, Minister of Consumer and Commercial Relations: the new Building Code proclaimed law December 31st.

Hon. Frank S. Miller, Minister of Health: recommending appointment of Mr. Gary Agnew to the District Health Council.

Report of phone messages through the County Clerk that appointment of Mr. Gary Agnew to the District Health Council approved and will be made as soon as the Minister has arranged Order-in-Council for the additional member.

Hon. Leo Bernier, Minister of Natural Resources (copy of letter to Haliburton County Economic Development Commission): Haliburton County unsuitable for establishment of a fish hatchery because of inadequate water supply.

Town of Port Hope: Resolution re. rejecting requisition for education costs exceeding 10% increase over previous year's requisition.

County of Victoria: Revised resolution re. Warble Fly Control.

Regional Municipality of Waterloo: Resolution petitioning change in funding under government grants.

H.K.P.R. District Health Unit: presentation of proposed 1976 Health Unit Budget and applicable County apportionment.

Ontario Association of Rural Municipalities: re. programmes and membership.

J. Douglas Hodgson, Director of Education, Haliburton County Board of Education: reply re. summer school proposal - not recommended because of lack of funding and demand.

Mention was made of the following letters:

Hon. Leo Bernier, Minister of Natural Resources: outlining composition and functions of Provincial Parks Council.

Hon. Darcy McKeough, Treasurer of Ontario: 1976 General Support Grant.

Township of Goulbourn: Resolution requesting raise in allowable application fee for land severance. (Council was not in favour of supporting this resolution as long as our Land Division Committee can operate self-sufficiently.)

Haliburton County Economic Development Commission: Brief to 1975 representatives J. Howarth and M. Fearrey.

Haliburton Highlands Guild of Fine Arts, Mental Health/Ontario, and Salvation Army - referred for consideration of Budget Committee.

Association of Counties and Regions: re. newsletter and membership.

Resolution No. 6/75
Cost of Tax Arrears
Relevant to Education

That County Council request the following information from Municipal Councils: (1) The percentage of arrears of taxes relevant to Education for 1975, 1974 and 1973; (2) The interest cost to the Townships on monies borrowed relevant to education over that same three year period. Carried.

Resolution No. 7/76
Warble Fly Act

That the County Council of Haliburton support the Warble Fly resolution prepared by Victoria County. Carried.

Logging Business
Mr. S. G. Nesbitt directed the attention of Council to the inequities and high costs of permits and scaling fees for small logging operators relative to Crown timber.

Resolution No. 8/76
Correspondence
Acceptance of Correspondence

That the Correspondence Committee ask Council to concur with correspondence read. Carried.

Steering Report

As Chairman of the Steering Committee, Past Warden Reg. Booth presented the report of the Steering Committee as follows:

We, the Steering Committee, recommend the following slate of members for Committees of Council for the year 1976, names being listed alphabetically on each Committee, with Committees to appoint their Chairmen:

considered read a second and third time, passed, signed and the Corporate Seal attached, being a by-law to confirm proceedings of the Road Committee of the Provisional County of Haliburton. Carried.

Resolution No. 12/76

Authorization to Petition Subsidy
That we authorize the Warden, Clerk-Treasurer, and County Engineer to sign the annual petition for the balance of road subsidy from the Ministry of Transportation and Communications for 1975 County Road expenditure. Carried.

Resolution No. 13/76

Acceptance of Road Engineer's Report
BE IT RESOLVED that the Road Engineer's Report be accepted as presented. Carried.

Noon Recess

Warden Howarth adjourned this session of County Council for luncheon at 12:00 noon. The meeting reconvened at 1:30 p.m.

County Restructuring Study
Mr. Murray Fearrey, 1975 Chairman of the County Local Government Study Committee, reported on the status of the study which had commenced under appointed Commissioner W. Robert Galloway, but had not progressed past the preparation of a prospectus because of disagreement between the County and Ministry on appropriate costs.

Resolution No. 14/76

Approval for Payment Half Cost of Prospectus
That in accordance with Sections 12, 13, and 14, in the County Restructuring Study agreement dated July 9, 1975, the Treasurer be authorized to reimburse the Province for one-half the cost of the prospectus prepared by W. Robert Galloway, this account having been submitted to the Province for payment, and a copy of this resolution to be presented to the Budget Committee. Carried.

Resolution No. 15/76

Browndale
BE IT RESOLVED THAT County Council write to the Honourable Minister of Health and our local Provincial and Federal members emphasizing Council's concern for the continuity of professional training services in the County as provided by

Browndale with an expression of deep concern for any possible loss of employment, a reduction in tax money, and increased Welfare costs. Carried.

Resolution No. 16/76

By-law 967
Road Closing
Havelock Township
That By-law 967, having been read a first time, be considered read a second and third time, passed, signed, and the Corporate Seal attached, being a by-law for the purpose of confirming By-law No. 75-61 of the Municipality of Dysart et al a by-law to close and stop up part of the original road allowance between Lots 5 and 6, across part of Concession 3, in the Township of Havelock. Carried.

Resolution No. 17/76

By-Law 968
Road Closing
Stanhope Township
That By-law 968, having been read a first time, be considered read a second and third time, passed, signed, and the Corporate Seal attached, being a by-law for the purpose of confirming By-law 75-27-1975 of the Corporation of the Township of Stanhope, a by-law to close a portion of the Big Hawk Lake Road lying and being situate in Part of Lot 16, Concessions 9 and 10 in the Township of Stanhope. Carried.

Five Counties

Children's Treatment Centre
Dysart Deputy Reeve Lloyd Coneybeare introduced Mr. Clare Hilborn, Administrator of the Children's Treatment Centre in Peterborough. Mr. Hilborn spoke to Council about the extensive demand and service being experienced in the Five Counties Children's Treatment Centre and outlined its financing.

Resolution No. 18/76

By-law 969
Re-appointments to Land Division Committee
That By-law 969, having been read a first time, be considered read a second and third time, passed, signed, and the Corporate Seal attached, being a by-law to re-appoint members to the Land Division Committee of the Provisional County of Haliburton. Carried.

Resolution No. 19/76

By-Law 970
Appointments to Road Committee

That By-law 970, having been read a first time, be considered read a second and third time, passed, signed, and the Corporate Seal attached, being a by-law for the appointment of members to the County Road Committee. Carried.

Resolution No. 20/76

By-law 971
Appointments to Haliburton County Public Library Board
That By-law 971, having been read a first time, be considered read a second and third time, passed, signed, and the Corporate Seal attached, being a by-law for the appointment of members to the Haliburton County Public Library Board. Carried.

Hyland Crest Senior Citizens' Home

Mr. Sidney Brown, Acting Administrator of Hyland Crest Senior Citizens' Home, presented an Annual Report in the vacation absence of Mrs. Elsie Bursey. Hyland Crest has been operating at capacity residency of 60, with a number of applications on file. Mr. Brown praised the considerate staff and reviewed activities of the year, including the Paraplegic Bus

fund drive promoted by the residents and supported by individuals and clubs throughout the County. Doctors from Haliburton and Minden met the Committee of Management and discussed admittance policies as set out by the Ministry which allows a maximum of 38 extended care residents. Under the new government restraint programme only a 5.5% increase in expenditure will be acceptable for proportionate subsidy, which has necessitated drastic cuts in services and operational costs.

Budget

Mr. James Harrison, 1975 Chairman of the Hyland Crest Committee of Management, reported on the revised proposed budget and reviewed estimated costs for each Department, which must be submitted to the Ministry before the end of January.

Resolution No. 21/76

Acceptance of Hyland Crest Budgeted Expenditures
That budgeted expenditures of Hyland Crest Senior Citizens' Home for 1976 be accepted in the amount of \$590,238.00, subject to approval of the Ministry of

Community and Social Services. Carried.

Haliburton County Public Library

County Librarian Heather Gardiner reported on the Haliburton County Public Library which has now reached its tenth anniversary. Mrs. Gardiner gave a brief history of the development of the County Library system expanding from 780 members borrowing 12,000 books to the present membership of more than 4,411 who read 66,726 books this past year, in addition the loan of films to 270 persons. The present collection owned by the County comprises 27,068 books and 49 films, providing information and cultural recreation.

Recess

Warden Howarth declared a ten-minute discussion recess.

Haliburton Kawartha Pine Ridge District Health Unit

District Supervisor Bob McNaull of the Haliburton Kawartha Pine Ridge District Health Unit outlined the functions of the Health Unit which covers a population of 105,000, and operates under the Public Health Act. Mr.

McNaull gave detailed accounts of the phases of Public Health Nursing, Public Health Inspection Services, Preventative Dental Services and Home Care Programmes. He explained that the \$25.00 Sewage Inspection fee charged is matched by the Government to make this service self sufficient.

Haliburton Highlands Chamber of Commerce

Mr. Dennis Waymouth, President of the Haliburton Highlands Chamber of Commerce, spoke enthusiastically about the positive progressive accomplishments with increased membership, and acquisition of copying equipment for the benefit of members. Secretary-Manager Robert Stinson reported a dedicated Board of Directors, and outlined the activities and plans of the Chamber. He distributed a current publication of the Central Ontario Travel Association which advertises Haliburton Highlands and its carnivals. Mr. Stinson referred to the Chamber of Commerce 1976 Budget which will be presented with a financial statement.

Anson, Hindon, Minden Council

The Townships of Anson, Hindon and Minden held the third meeting (special) of the Council in the Council Chambers, Monday, January 26th, 1976 at the Municipal Building. Reeve Reg Booth in the Chair.

Present were Deputy Reeve Doug Pritchard, Councillors, A. Coneybeare, R. Gorrie, H. Johnson.

Richard Parisotto, Clerk Administrator, J. Earl Hewitt, Road Superintendent, Richard C. Schell, By-Law Officer.

Adoption of Minutes

76-26 D. Pritchard-A. Coneybeare: That the Minutes of the meeting of January 12, 1976 and January 20, 1976 be approved.

Carried.

Streetlighting Carnarvon

Mr. Bob McCallum of Ontario Hydro was present with the updated cost figures for the streetlighting proposal for the Carnarvon area on Highway # 35.

Scout Building Minden Park

Mr. Joe Dollo and Mr. Charles Brandon were present requesting permission to place a small structure for the Boy Scouts in Minden Park. Council agreed to the proposal subject to terms and conditions to be decided later.

Fire Prevention School Attendance

76-27 R. Gorrie-H. Johnson: That all available Volunteer firemen who are willing to complete the Regional Fire Prevention School to be held in Haliburton be permitted to attend on a practice-call payment basis.

Carried.

Docking Facilities Kashagawigamog Lake

76-28 R. Gorrie-H. Johnson: That the existing and proposed docking facilities proposed by Bruce O'Brien and as tabled before Council by the Ministry of Natural Resources be approved on the condition that the Municipality will incur no liability for the facility.

Carried.

Request Purchase Road Allowance

76-29 D. Pritchard-A. Coneybeare: That the Clerk be directed to contact the Ministry of Transportation and Communications to determine the status of the former part of Highway #121 between Lots 14 & 15, Concessions 2 & 3, Township of Minden, relative to the request to purchase received from H.F. Alton Sr.

Carried.

Commends Roads Soyers Lake

Letter of appreciation was received from Mr. Harold Elstone for the good work done on the Soyers Lake Road.

New Ontario Building Code

76-30 D. Pritchard-A. Coneybeare: That the Clerk and By-Law Officer be directed to prepare draft required by-laws pursuant to the new Ontario Building Code.

Carried.

Gas and Oil Tenders

Mr. Sid Stamp was present to clarify certain points on the Gas and Oil Tender awarded as requested by Council.

Committee of Adjustment Fees

76-31 R. Gorrie-H. Johnson: That this Council supports and endorses the resolution of the Township of Goulbourn dated December 15, 1975, relative to fees for Committee of Adjustment Applications, and further suggests that there is no reason for the Province to institute such

limitations, since Municipal Councils are in a far better position to assess the costs and effects involved in the processing of local applications.

Carried.

Validation of Title Applications

76-32 D. Pritchard-A. Coneybeare: That the Applicants for Validation of Title be formally advised of the position taken by the Ministry of Housing in this matter and further that the Municipality will entertain a plan of subdivision on the subject property.

Carried.

Education Levy Payments in 1976

Letter was received from the Board of Education requiring quarterly payments of the education levy beginning March 31, 1976 with a payment of \$81,175.00.

Tenders with County for material

76-33 R. Gorrie-H. Johnson: That the following goods be approved for tender in conjunction with the Provisional County of Haliburton requirements for 1976.

80,000 gallons - non asphaltic oil
60 tons of flake calcium
60 tons (equivalent) liquid calcium.

Carried.

Long Term Grants L.I.P. & Wintario

76-34 A. Coneybeare-D. Pritchard: That the Municipality advise the Federal and Provincial Governments that it opposes the resolution of the Regional Municipality of Waterloo relative to program such as the L.I.P. or Wintario Projects suggesting extended funding of such projects for a period of not less than three years;

Further that it be noted that except for capital construction, these programs were not and should not be designed for long-term solutions to social needs and problems. This Municipality does not view either project as a reasonable alternative to properly instituted programs by the applicable Government Departments to meet the needs of the people. Further that the Provincial Government be advised that this Municipality strongly

objects to any move that would effectively destroy the original intent of the Wintario Legislation, particularly in diverting such revenue to the General Revenue Fund of the Province.

Carried.

Water & Sewer Projects

It was decided that a delegation would meet with the Minister of the Environment to finalize the Water and Sewer Plans.

Tenders - Crush, Truck, Loader

76-35 D. Pritchard-A. Coneybeare: That tenders be called for the following:
15,000 yards crushed gravel
One 2-yd. Bucket Loader
One 5-ton Dump Truck

Carried.

Winter Carnival

Mr. Eldon Deacon was present to discuss certain aspects of the Carnival in the Park.

Parks & Recreation Staff

76-36 H. Johnson-A. Coneybeare: That the recommendation of the Recreation Committee pertaining to an additional staff person be approved as outlined in the Committee's Report dated January 12, 1976 provided the bulk of the salary is met through normal revenues of the Centre.

Carried.

Waterworks Management-Staff

76-37 H. Johnson-D. Pritchard: That the internal transfer of duties relative to the Waterworks System Management be approved as outlined in the report from

the Clerk-Administrator dated January 26, 1976.

Carried.

Approve Agreement Road and Severances

76-38 A. Coneybeare-D. Pritchard: That the proposed agreement with Lloyd Ackcrblade relative to a proposed road and severance application be approved in principle and the Clerk and Road Supt. be authorized to finalize the arrangements.

Carried.

Tax Write-Offs

76-39 H. Johnson-A. Coneybeare: That Applications 75-30 to 75-32 inclusive under Section 636(A) of the Municipal Act be approved in the amount of \$281.75.

Carried.

M.T.C. Supplementary Subsidy Application

76-40 H. Johnson-A. Coneybeare: That the Request for Supplementary Allocation of Subsidy for the year 1976 be approved in the amount of \$1,250.

Carried.

SEVEN DAYS A WEEK

Minden OPP kept busy

The Minden Detachment of the Ontario Provincial Police report the following activity for the period from January 26, to February 1, 1976: during this period the staff investigated 59 general occurrences and 10 motor vehicle collisions, there were three persons charged with impaired driving, one person charged under the Liquor Licence Act, 11 persons charged under the Motorized Snow Vehicles Act and two break-ins reported.

Charged with impaired driving and refusing to take a breath test is 36 year old Hilliard J. Raymond of Minden after his northbound pick-up truck left Highway 121 north of the Gelert Road, entered the west ditch and rolled over onto its side at 11:30 p.m. on Wednesday, January 28. Investigating Officer was Ontario Provincial Police Constable Roy Telford of the Minden Detachment who estimated damage to the pick up truck at \$100.

A station wagon driven by John P. Downie, age 21, of Wilberforce, was damaged to an extent of \$400 when the vehicle, which was parked on the north shoulder on Highway 121 east of Tory Hill, reversed across the path of a van travelling westbound driven by 21 year old Steven L. Hicks of 631 Chamberlain Street, Peterborough. The Hicks van was damaged to an extent of \$400. in the collision which occurred on Friday, January 30, at 11:45 a.m. John P. Downie sustained cuts and bruises, and has been charged with careless driving by Ontario Provincial Police Constable Boyd Jarvis of the Minden Detachment who investigated the mishap.

Thomas D. Parnell, age 18, of Haliburton, complain-

ed of pain and a passenger in his vehicle, 16 year old Sandra M. Cowen of Haliburton, sustained cuts and bruises when the Parnell car spun around on a curve into the path of a car driven by Donald E. Payne, age 18, of Haliburton. Parnell was travelling southbound and Payne was driving northbound on Highway 519, just north of Haliburton when the accident occurred last Saturday, January 31, at 1:00 p.m. The Payne car received damage estimated at \$800 while the Parnell car damage was estimated at \$600. Constable Bill Clendenning of the Minden Detachment of

the Ontario Provincial Police investigated, and Thomas D. Parnell has been charged with driving with a temporary licence when unaccompanied by a licenced driver.

On Saturday, January 31, 1976, the Minden Detachment of the Ontario Provincial Police received a call from a cottager that a person had been apprehended who had broken into his cottage. The cottage owner, Mr. Frank Burnell of Willowdale, came to his cottage on Saturday and the occupants went for a car ride in the afternoon and upon their return when they entered the cottage they found a person

inside. Charged with break and enter is Stephen Lloyd Delinc, age 16, of Oakville.

A collision occurred near the centre of the road on a curve on Peninsula Park Road near Haliburton when a car driven by Steven P. March, age 23, of 10 Saranac Boulevard in Toronto collided with an eastbound car driven by Guy P. Lengyel, age 18, of 59 Otter Crescent in Toronto. Steven P. March,

who was travelling westbound, has been charged with driving to the left of the centre of the road. Damage has been estimated at \$175. to the March vehicle and at \$325. to the Lengyel vehicle in the accident which occurred on Sunday, February 1, at 4:35 p.m. Investigating Officer was Ontario Provincial Police Constable Mike Maher of the Minden Detachment.

Investigation is continuing into an injury sustained by a hockey fan from Willowdale, involving one of the game officials, at the Atom Tournament held at the Haliburton Arena this past weekend. On February 1, 1976, a Willowdale fan was treated at the Haliburton Red Cross Hospital for a cut on the back of his head. Investigation is being conducted by O.P.P. Constable Bill Clendenning of the Minden Detachment.

United Church Wedding scene

At four o'clock on October the 12th, the Haliburton United Church was the scene of a very pretty wedding when Patricia Lucille Barry, daughter of Mr. and Mrs. Robert Barry of West Guilford became the bride of Beverly Gerald Hicks of Lochlin. The Reverend Donald Nicholson officiated the ceremony. Mr. and Mrs. Ray Johnson sang the Wedding Song, Closer to God and Sweet, Sweet Spirit. Miss Becky Davison was the accompanist on the piano.

Given in marriage by her father, the Bride wore a gown of nylon with a becoming high neckline accented with tiny teardrop pearls. The fitted bodice fell to a soft flowing skirt attached by a long waterfall train. Her headress, a juliet crown held a shoulder length veil, also trimmed with tear drop pearls. She

**\$2200
damage**

Lindsay OPP reported damage totalled \$2,200 Saturday about 12:40 p.m. in a two-car crash on Highway 7 about one half mile east of Highway 35.

Police said a car driven by Roy Schroter, 48, of R.R. 2, Haliburton received \$2,000 damage when it was in collision with a car driven by Norman Macsween, 51, of Weston. The Macsween vehicle received \$200 damage.

Police said the Macsween vehicle was westbound on Highway 7 and the Schroter vehicle had been parked on the shoulder. Constable Mike Saunders investigated. There were no injuries.

PARTICIPATION
The and/or movement for personal fitness

Fitness. In your heart you know it's right.

carried a bouquet of assorted dried flowers in autumn shades.

The matron of honour was Mrs. Nelda Cully of Carnarvon, sister of the bride. She wore a gown of iced melon nylon trimmed with malibu. The bridesmaids were Miss Glenna Barry of West Guilford, cousin of the bride, and Mrs. Judy Johnson of Toronto, friend of the bride. They wore similar gowns to the matron of honour. The flower girls in matching gowns of apple green nylon were Miss Debra Thomas of Carnarvon, niece of the bride and Miss Amber Lee Burk of Minden, cousin of the groom. They all carried bouquets of dried autumn flowers.

The best man was Mr. David Hicks, brother of the groom. The ushers were Mr. Larry Dart of Belleville, cousin of the groom, Mr. Michael Carpenter of Lochlin, cousin of the groom, Mr. Roger Hicks brother of the groom and Mr. Norman Barry, brother of the bride.

For the reception at the bride's home, the bride's mother received in a floor length gown of flowered mink coloured nylon and fox fur with gold accessories and a corsage of yellow baby roses. The bridegroom's mother wore a floor length gown with matching coat of flowered apricot nylon with brown accessories and a corsage of orange baby roses.

Following the reception a wedding dance was held at the Royal Canadian Legion where guests from Germany, Kitchener, London, Toronto, Belleville, Ajax, Whitby, Oshawa, Bowmanville, Lindsay, Peterborough and Huntsville as well as local towns, to wish the young couple well in their new life together.

For their honeymoon in southern Ontario, the bride chose a two piece pant suit of green and rust with a corsage of autumn flowers.

The newlyweds will reside at 333 Gibb St., Apt. 14, Oshawa.

Gems of truth

The seeking Saviour

When the Lord Jesus made the statement that He came to earth to seek and to save that which was lost, He had mankind in general in mind, Luke 19:10. His mind was continually drawn to the great work of redeeming any and all who saw their need in the light of Eternity. The plight of lost people, even though unknown to them, moved the Lord Jesus to contact as many as possible in the short span of time He moved among them. What a tremendous example He set for all "born again" children of God to carry the same burden for the lost and personally seek to help them to find the Saviour who alone can end the search for God.

There are many in the status of Nicodemus, religious, yes, but lost. There are many more like the Samaritan woman who was the object of deep concern to Jesus because of her low moral behaviour. She too was lost and Jesus made special effort to reach her and present her with something much better, John 4:4-26. In between these two categories of lost men and women there abounds sin and ignorance of all description, but the degree of the same does not matter, they are eternally lost.

It is very noteworthy that the account of Nicodemus, John 3, and that of the Samaritan woman, John 4, are set side by side. They represent the two extremes of the social scale. Nicodemus had commendable qualities and was respected by men. The Samaritan woman was a sinner of the boldest and lowest type but both were alike in that they had not been "born again". They were both living under the impulses of the flesh, good and bad, and were under the condemnation of God. It is hard for the natural man, "once born", to believe that two characters can be so far apart in the eyes of men, yet belong to the same category in the eyes of God, Romans 3:23.

But man divides humanity by degrees or lift some a little higher than others, on a horizontal scale. God divides men the other way, up and down, either we are saved or lost, there is not neutral or middle ground. This was exemplified the day the Lord Jesus hung on the cross, one thief was saved, the other remained lost. This Son, and faith in Him, still divides humanity to this very day. The need for the true way to

receive Eternal Life remains the same and it is up to the "born again" ones to carry that message. No other vessel will do.

The Saviour left some very helpful lessons for the Church to learn and do. He was no swivel-chair executive sending out proxies to do His work. He personally sought out the contacts to be made, thus we read "that He must needs go through Samaria". When there was work to do, He did it Himself. No wonder that Paul saw the ideal and handed it down to Timothy, "Preach the Word, be instant in season and out of season", 2 Timothy 4:2. When there were distant folk to be reached Jesus' own blessed feet carried His tired body over dusty roads. It was thus that He sat on the well when the Samaritan woman came into His reach, John 4:6.

Did not the Saviour show us that there is a place for each one of His saved ones to labour on His behalf? He has no feet but our feet, no hands but our hands and whatever we can do personally should not be left for another to do. We are saved to serve! His "born again" ones have been endowed with Eternal Life and His vision of people dying without that Life, moved Him with compassion to go where they are and as they are.

When the same vision of lost souls fills our hearts, "the field becomes white unto harvest". Without that sense of need, the "Seeking Saviour" remains a stranger to men and women who are lost, John 4:35-36. Harvests do not depend upon the evangelist. The best of them are handicapped when there are no helpers, no inviters, and no one to personally contact the lost. Let each "born again" Christian become concerned about such souls and present a good, sound evangelical message and there will be an abundant harvest. The Eternal Saviour ensures that harvest.

Womens' Institute

The regular meeting of Minden Women's Institute was at the Parish Hall January 22nd. After the usual opening the president welcomed the visitors. The 28 members present answered the Roll Call by turning in a stamped card. The President thanked all the ladies who helped make our Card Party so successful.

Mrs. Allan Taylor gave her report of sending 40 cards since the last meeting, and collection was taken for this fund and the Pennies for Friendship.

Correspondence was read and a pledge was made to donate \$30. for the prizes for Public Schools in this County, on projects done during this school year, and later to be on display at the Minden Fair. Mrs. W. Locke agreed to be one of the judges to choose the prize winners.

A Spring Tea is to be held at the Parish Hall April 24th, with committee being Mrs. H. Welch, Mrs. W. MacAr-

thur, Mrs. E. Hewitt, Mrs. Bolton and Mrs. L. Dawson.

The Victoria East District Annual will be in the United Church Hall, May 13th. The members plan to serve a casserole dinner and committee to arrange this day are, Mrs. P. Clarke, Mrs. A. Taylor, Mrs. W. Walker, Mrs. R. Hughes, and Mrs. A. Windsor.

Mrs. Sears and Mrs. A. Pogue read verses with a lively note. The ladies had written their choice of place of the Annual Bus Trip and destination is Kitchener.

The meeting closed with God Save the Queen and W.I. Grace. Next meeting will be February 18th at 2 at the United Church Hall and a sincere welcome to all newcomers to come and join our group. The ladies sat around a table and a delicious lunch and tea or coffee was served by the committee.

News from Hall's Lake

A January thaw has set in. Snow and ice on the roof tops is melting fast, causing leakages. Predictions of freezing rain do not add to the pleasures of Winter in this area. Evidently the cities are having it even worse, so we will just have to sit tight and wait for those balmy Spring days which do come eventually.

Quite a few snowmobilers were on the trails over the week-end and also on the Lake which is still slushy.

Work on Big Hawk bridge has been delayed due to the adverse weather conditions. The boys were working in below zero conditions, but finally had to give in.

The Annual Vestry Meeting of St. Stephen's Church was held Sunday following the church service. Eleven sat down to a delicious pot-luck dinner following which a business meeting took place. Reports were given by Officers and the

Rev. Mr. Brown chaired the meeting, giving thanks to all who contributed in any way to make the services meaningful and keep the church and its grounds in such good order. He asked Leonard Stinson to remain as his Warden and Mr. William Mole was appointed Peoples' Warden in absentia. Mrs. Gartshore, Mrs. Oliver and Mrs. Finney were thanked for their efforts as Organists throughout the year, the Treasurer, Clerk and every-

one helped in any way. A healthy though disturbing discussion took place concerning the lack of numbers who attend and support this lovely little church and it is to be hoped more will endeavour to make it their Home church.

February is fast approaching and since it is Heart Month we hope everyone will have a heart, and contribute toward the Campaign about to take place in all areas.

In Memoriam

In proud and loving memory of our dear brother, **Lieut. Ross Davidson**, killed in action on January 29, 1945; buried in Nijmegen Canadian Cemetery, Groesbeek, Holland.

We who love you sadly miss you.
As it dawns another year;
In our lonely hours of thinking
Thoughts of you are ever near.

Always remembered by
Bernard, Lauretta and Bernice.

McKELVEY - In loving memory of my dear brother **Buster**, who passed away one year ago February 1, 1975.

Surrounded by friends, I am lonesome.

In the midst of joys I am blue.
With a smile on my face I've a heartache
Longing, dear brother for you.
Where ever I go, what ever I do.

Memories dear **Buster** keep me near to you.

Lovingly remembered by
sister **Audrey.**

HERITAGE DAY

February 15th, from 1 to 4 p.m. at Hyland Crest Home. Arts and Crafts and a chance to inspect the Paraplegic Bus. Tea will be served.

Hyland Crest Paraplegic Bus Arrives

It took just ten months from the birth of the fund until it was delivered to Hyland Crest which must be some kind of a record.

The Residents are saying "We got it!" "We love it!" "Thanks to everyone who helped us to get it."

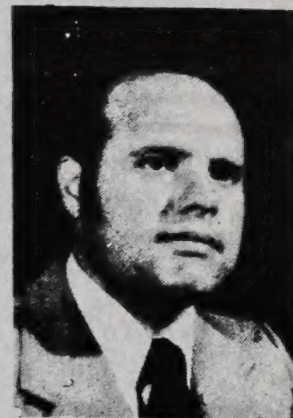

They would like to have the opportunity to say it in person and to have you to come and "look" the bus over and so on. February 15th, at 1 p.m. there will be a "ribbon cutting" ceremony. This will be held in conjunction with Heritage Day which the Kinsmen are sponsoring. This will take the form of Arts and Crafts displays of past generations along with present ones in the Auditorium from one o'clock until 4 p.m. In the main lounge the Kinettes will serve a cup of tea to all visitors.

We are expecting both our M.P., Mr. Wm. Scott and our M.P.P., Mr. John Eakins and their wives. To lead off the ceremony will be the Haliburton Pipers.

Heritage Day is for all Canadians so be sure to attend, we are sure you will enjoy the displays and be proud of the Paraplegic Bus.

E.F.C. Executive
Plans Programs

The newly appointed executive of the Haliburton Highlands Chapter of the Evangelical Fellowship of Canada, met recently at the home of Mrs. Olga Black, to lay plans for the forthcoming events, to be sponsored by the E.F.C. of this area.

Since evangelicals are people who are standing firm upon the Scriptures as the unerring and inspired Word of God, the congregation of such like minded people in open and mass settings, become an encouragement to all. Such meetings need to take on various forms, as the planners are fully aware of the diversity of background and likes and dislikes to express the unity in Christ.

Thus foremost in planning, the most likeable and necessary programs are desired to be presented. Since most people like music, that is good inspirational music, there is a night of sacred music being presented. The singers coming, are all working people, who have banded themselves together under the name of "The Viscounts", and in their program exalt the Lord of the Church in word and song. Be sure to hear them on Saturday evening, February 7th.

village as the Kinsmen Winter Carnival begins Friday night. One of the first events is the choosing of the Carnival Queen, about 7 at the Arena, and be sure and have an entry in the Parade on Saturday at noon. With all the events planned for the weekend, we are sure there will be something for everyone. There will be no outdoor Church Service, but all the Churches welcome visitors to come and worship with them.

The community sends belated good wishes to Ruby Houston and Robert Schroter who celebrated birthdays in

Land Division Committee
Mr. Louis Hodgson, 1975 Chairman of the Land Division Committee reported 428 applications for consent had been received during the year and the Committee have given 436 decisions including applications deferred from the previous years. He told County Council that this is a unique Land Division Committee in Ontario in that it operates self sufficiently without demands on tax dollars. Mr. Hodgson reviewed the guidelines under which the Committee operates and the efforts of the Committee to assist applicants, but to effect control by recommendations of applicable agencies in the interests of good planning and environment.

Resolution No. 22/76

Crown Timber operations That the Warden appoint a Committee from County Council and request John Eakins M.P.P. to make an appointment with the Ministry of Natural Resources to discuss the problem of the costing and scaling of Crown timbers to small logging operators in the Provisional County of Haliburton. Carried.

January at the Hyland Crest.

Sincere sympathy to the families and friends of the late Mrs. Herbert Horsley and Mrs. Victor Cox who passed away since last week.

New arrival is a baby boy for Linda and Gerald Cox, and a grandson for Jean and Denzil Cox and another great grandson for Mrs. William Cox.

All their friends send good wishes to Morgan Prentice at Morton Plant Hospital, Clearwater, Florida and to Peter Windover at the Ross Memorial.

At the weekly Mini Card Party at the Parish Hall last Thursday afternoon, winners for bridge were Norman Taylor, for cribbage Isabel Bingham, (perfect score) and Fred Wright and for Euchre Charlotte O'Neill, Judy Bedmore and lone hand Johanne Beattie.

Many people in this community, both old and young, will be sorry to hear of the passing of a favourite friend and teacher Mrs. Victor Cox.

In her early teaching days she was known as Miss Annie Wicks and taught in the Cheddar Area. Later she married Dave Nesbitt and was teacher in Bethel School for many years.

She was widowed about 1952 and later married Victor Cox, and continued teaching at Bethel. When this school was closed, she continued her career at the Archie Stouffer School before retiring. Her pupils remember her as an understanding and loving guide. We regret the passing of this friend and long-time resident of this Area.

Miss Sandra Sears of Toronto is visiting for a few days with her parents. Mr. and Mrs. Glen Sears and family of West Hill were Sunday visitors with his parents Mr. and Mrs. M. Sears.
